SECTION 1 - EXPLANATION OF TERMS

Exchange Access Line

A line furnished for direct or indirect access to the exchange system.

Flat Rate Service

The type of exchange service provided at a monthly rate with an unlimited number of calls within a specified local calling area.

Foreign Central Office

A central office which does not serve the subscriber's location, except on a foreign exchange basis or foreign central office basis.

Hospital

An establishment for treatment of human patients by members of the medical profession where lodging for the patients is maintained on the premises.

Intercept Line

A line bridging an individual, PBX trunk or PBX station line to an answering service establishment.

IntraLATA Toll Message Telecommunications Service

IntraLATA Toll Message Telecommunication Service is that of furnishing facilities for the telephone communication between telephones in different local calling areas in accordance with the regulations and schedules of charges specified in this tariff. The toll service charges specified in this tariff are in payment for all service furnished between the calling and called telephone, except as otherwise provided in this tariff.
